CENTAUR THEATRE PRESENTS  
A GRANHØJ DANS production

## Dance Me To The End on/off Love

CELEBRATING THE MUSIC AND  
LYRICS OF **LEONARD COHEN**

DIRECTED BY PALLE GRANHØJ

Words become songs, music becomes  
pictures and pain transforms into  
beauty.

A spellbinding performance steeped  
in the seductive and evocative music

of song writing legend **Leonard Cohen**. An international sensation! Combining theatre, dance, visual arts and live music, this ground-breaking work explores the architecture of the body and abandons itself to the irresistible sensuality, longing and melancholy that define the lyrics and music of Dance Me to the End of Love and other songs by Leonard Cohen. Created by the world renowned Granhøj Dans company in Aarhus, Denmark, the production has been lauded by international critics for its brilliant imagination and broad appeal. Founded by Artistic Director and Choreographer Palle Granhøj, the thirteen member company has toured extensively around the world.
